4. CSU-Transferable Math

■ Completion of 60 CSU-Transferable Units

Students interested in transferring should have at least 60 CSU-transferable semester units with a **GPA of 2.0 or higher**. A higher GPA will help you be a more *competitive applicant*. The major, campus, and/or applicant pool may require a higher GPA due to competitive or highly-impacted campuses/programs.

■ Major Prep Courses

It is **highly recommended** that students complete their intended major's lower division requirements prior to transfer. Visit www.assist.org to view specific major requirements. Meet with a counselor to help you plan your general education and major preparation courses.
